VETERANS PARK - LEANDER, TX

CITY OF LEANDER PARKS AND RECREATION DEPARTMENT

ABOUT VETERANS PARK

Veterans Park is Leander's newest park property and located directly behind the City Library and adjacent to the Mason Homestead in the heart of what is becoming a cultural district. The 3.3-acre tract was dedicated through the City Parkland Dedication Ordinance as a requirement of residential development west of the park. The master plan was prepared by Baker-Aicklen & Associates. The cost to construct the park is estimated at \$800,000. That amount, however, does not include the cost of the main eagle monument.
